11 Coloring Pages · A Case for You

Alarm at headquarters! Lina wanted to print the Detective Files, but the printer ran out of color ink. Now all the photos are black and white, and no one recognizes the detectives.

Luckily, there are witnesses. They've described exactly what each detective looks like. Can you save the files?

- 1 Read the **witness statement** and color the detective using the right colors.
- 2 There's a **black feather** hidden on every page. Can you find it? Color it black.
- 3 Answer the **detective question**. Hint: the answers are in the Detective Files at [thehamburgsuperdetectives.com](http://thehamburgsuperdetectives.com).
- 4 The **answers** are at the back. But don't peek until you're done!
